Have dinner at Shakey's in Northridge (10340 Reseda Blvd.) on **Wednesday, December 20 between 5:00 and 8:00pm**. Twenty percent of the proceeds will go to our troop if you tell them that you are there for the Boy Scouts. You can even order over the phone and do it take out style!

Students can wear their 2017 Festival t-shirt and OLL sports t-shirts on Fridays throughout the school year. The only exception is on mass uniform days.

Dine-In Only

Present this flyer to your server and 10% of your total food purchases will be donated to the Catholic Charities of Los Angeles, a special fund has been established to help those impacted by the fires. All the money raised will be matched by the Our Lady of Lourdes PTO.

A WORD FROM MR. BROUGH

Dear Parents and Guardians,

Hopefully you and yours have remained safe and healthy during these trying days. The fires have touched the lives of so many folks within and connected to our community. Please continue to keep those most affected in your thoughts and prayers.

The PTO has generously decided to donate and match all funds raised at Monday's Wood Ranch night to support fire victims (flyers will be sent home in the family envelope). Answering the Archbishop's call to "open our heart to our brothers and sisters in need," you may give directly to Catholic Charities of Los Angeles at <http://www.archla.org/fires>— all donations will directly benefit those affected by the wildfires in Ventura, Santa Barbara, and Los Angeles Counties.

Check your email regularly over the few days for details on the Christmas Concert and other holiday related fun.

God bless,
Mr. Brough

TIP OF THE WEEK: HOLIDAY TECH TOYS

With the holiday season in full swing, parents often get lots of input about what gifts kids want. Often, tech toys, digital gifts, and new devices make the list, and it can be hard to sort out what to buy and what to deny.

If your kid is clamoring for a phone, it might be helpful to think about their overall maturity, their sense of responsibility, and their ability to think through consequences to [determine if they're smartphone-ready](#). For kids who are hoping to get [virtual reality gear](#), it's good to know what's available and what kind of extra stuff you might need to make it work. Going [retro with a modern twist could be a cool choice](#) for some kids, too.
